

ON FATHERS DAY

LOOP AKTIV CLUB WELCOMES YOU TO

PREDATOR DAY

LAKE OF MENTIETH

SUNDAY 16 JUNE 2019, 12-6PM

FLY FISHING FOR PIKE is an adrenaline filled exciting sport that many anglers are starting to pursue. We have teamed up with some of the best predator angling specialists at a superb venue to deliver an educational, informative and exciting day out. Visitors can expect to learn everything about fly fishing for Pike where there will be specialists on hand to share their knowledge in tying pike flies, fish handling, fish behaviour and tackle and tactics too pursue them on the fly.

This free event will offer those that attend a full introduction into the world of pike fly fishing and prepare you to get into the sport. The Lake of Mentieth is a premier trout and pike fishing location and there will be boats reserved if you would like to join a pro and head out to fish for these aggressive fish.

We welcome you to come and tie your first pike fly and catch your first pike! All equipment and instruction provided. Loop Tackle will be on hand to give advice on suitable predator fishing outfits and offering the chance to try the outfits. Stuart Sutherland from FishX will also be there to pass on essential advice about the ins and outs of pike fly fishing and setting up the most effective rigs.

Renowned fly tyers including Euan Miller and Stuart Smith will be showcasing their specialist pike and perch flies and will be on hand to give lessons on the specifics on tying pike flies.

PRESENTATIONS FROM:

- **PAAS (Pike Anglers Alliance for Scotland)** on Pike conservation and the future of Pike angling in Scotland.
- **Quintin (Lake of Mentieth)**. History and ecology of the lake.
- **Stuart Sutherland (FISHX)** talks about how to improve your skills to catch more fish.
